

MEMORANDUM OF UNDERSTANDING
BETWEEN
THE MINISTRY OF THE ENVIRONMENT AND ENERGY
OF THE KINGDOM OF SWEDEN
AND
THE MINISTRY OF ENERGY AND MINERAL RESOURCES
OF THE REPUBLIC OF INDONESIA
ON
COOPERATION IN THE FIELD OF ENERGY DEVELOPMENT

The Ministry of the Environment and Energy of the Kingdom of Sweden and the Ministry of Energy and Mineral Resources of the Government of the Republic of Indonesia (MEMR) hereinafter referred to as "the Participants";

CONSIDERING mutual interest in developing energy cooperation between the Kingdom of Sweden and the Republic of Indonesia;

DESIRING to strengthen the friendly relations between the two countries in the field of energy development particularly in renewable energy, based on the principles of equality and mutual benefit;

ACKNOWLEDGING the importance of renewable energy to the sustainable economic growth and development of both countries;

RECOGNISING the milestone Paris Agreement reached at the 21st Conference of Parties to the United Nations (UN) Framework Convention on Climate Change and the adoption in 2015 of the Agenda 2030 and the global Sustainable Development Goals;

TAKING INTO ACCOUNT the strong relationship between the Participants through the Memorandum of Understanding between the Swedish Energy Agency of the Kingdom of Sweden and the Secretariate General of the National Energy Council of the Government of the Republic of Indonesia concerning the establishment of the Indonesian-Swedish Initiative for Sustainable Energy Solutions (INSISTS) signed in Jogjakarta, 7 December 2013;

PURSUANT to the prevailing laws and regulations in their respective countries;

HAVE REACHED the following understanding:

ARTICLE 1

Objective

The objective of this Memorandum of Understanding is to establish a framework for co-operation in the field of energy between the Participants, enabling scientific and technology exchange, capacity building, exchange of experience and exploring trade exchange opportunities in Sweden and Indonesia, with a special focus on renewable energy.

ARTICLE 2

Scope of Cooperation

The following areas have been identified by the Participants as high priority areas of cooperation:

1. Renewable Energy Development;
2. Energy efficiency and conservation;
3. Capacity Building through Education and Training Cooperation;
4. Research and Development Cooperation;
5. Other activities as mutually agreed by the Participants.

ARTICLE 3

Implementation

1. The official agencies responsible for the implementation and to develop the potential areas of cooperation identified under this Memorandum of Understanding;
 - a. For the Ministry of Environment and Energy of the Kingdom of Sweden shall be the Swedish Energy Agency;
 - b. For the Ministry of Energy and Mineral Resources of the Republic of Indonesia shall be the Secretary General of National Energy Council. .
2. The implementing bodies shall draft a working plan that specifies the details for the implementation of this MoU which subject of approval from the respective Ministries.
3. The implementing bodies may establish a joint working group for the implementation of the working plan.
4. Representatives of the Participants may meet periodically on mutually determined dates by the Participants alternately in Sweden and Indonesia to evaluate and give guidance to the continued cooperation. Each Participant will cover its expenses for the above-mentioned meetings.

ARTICLE 4

Intellectual Property Rights

1. Any intellectual property brought by one Participant for the implementation of this MoU shall remain the property of that Participant.
2. Any intellectual property rights resulted from activities under this Memorandum of Understanding shall be jointly owned and subject to a separate arrangement concluded between the Participants.

ARTICLE 5

Limitation of Personnel

Any nationals of a Participant engaged in activities under this Memorandum of Understanding in the territory of the other Participant shall respect and not interfere with the political independence, sovereignty, and territorial integrity of

the latter, and avoid any activities inconsistent with the purpose and objectives of this Memorandum of Understanding.

ARTICLE 6

Confidentiality

1. Each Party shall treat all documents, information or any other data exchanged, received or supplied by the Party for the implementation of this MOU or any other agreements made pursuant to the MOU as confidential, in accordance with national law, unless agreed otherwise in writing by the Parties.
2. The provisions of this Article shall not prejudice the prevailing laws and regulations of the Participants' respective countries.
3. The Participants have reached an understanding that the provisions of this Article will continue to be effective between the Participants notwithstanding the cancellation of this Memorandum of Understanding.

ARTICLE 7

Settlement of Differences

Any differences resulting from or anything unspecified in this Memorandum of Understanding will be settled amicably through consultation and negotiation between the Participants, based on mutual understanding, equality, cooperation and good faith.

ARTICLE 8

Amendment

The provisions in this Memorandum of Understanding may be amended at any time with the mutual written consent of the Participants. Such amendments shall form an integral part of this Memorandum of Understanding.

ARTICLE 9

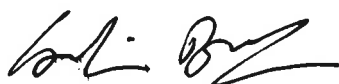

Come Into Effect, Duration, and Termination

1. This Memorandum of Understanding will come into effect on the date of signature.
2. This Memorandum of Understanding will remain effective for five (5) years, where after it will be automatically renewed for a consecutive period of 5 (five) years. Either Participant may at any time terminate this Memorandum of Understanding by giving 6 (six) months' written notice prior to the intended date of termination.
3. Unless agreed otherwise, the termination of this Memorandum of Understanding shall not prejudice the completion of any on-going programs or projects agreed by the Participants.

IN WITNESS WHEREOF, the undersigned being duly authorised by their respective ministries have signed this Memorandum of Understanding.

DONE in Jakarta on 17 February 2017, in two original copies, in Swedish, Indonesian and the English languages, all texts being equally authentic. In case of divergence of interpretation of this Memorandum of Understanding, the English text shall prevail.
